

Holding Hands Seminar Review

Parenting is a journey of achievements and setbacks To change these setbacks into life achievements, GIS provided the related guidance and required character clues of 10 to 18 - year-old sons/daughters.

Parents received guidance and benchmarks for how to 'hold hands' and get along in a sound parent-son/daughter relationship, we held a seminar at the school premises last month and will hold more.

Holding Hands Seminar

Mrs. Samar Ali
Parenting Coach

Are you a parent of a 10 to 18-year-old student?

Are you concerned about the suspenseful relationship, as a parent, in which one is pursued and the other is the pursuer?

Do you have an idea about the clues of your daughter's character?

GIS has the answers to all your enquiries.

Aiming at building a parents' community,

We are waiting for you next Saturday, 23/11/2019, at 10 am, to learn how to 'hold hands' and get along in a special parent-son/daughter relationship.

Due date for confirmation is Wednesday 20/11/2019.
