

GIS British Division

FS1 / FS2 / YR1 Traffic Day

At GIS, we are not merely education providers, but also life skills enhancers. We recognize potentials and nurture them. Accordingly, we will organize this extracurricular activity, tomorrow Thursday 10/10/2019, for our cherished young learners to install disciplinary attitudes.

Accordingly, students of FS1, FS2, YR1 students only can bring a bike, or a scooter to simulate traffic rules and abide by signs. It is a regular school day till 11:30, then the fun begins.
